

Annual E-Governance Report – 2018-19

Library Administration:

In line with our commitment to providing comprehensive academic support to our students, Mahatma Night Degree College continued to leverage state-of-the-art technology for efficient library administration. Throughout the academic year 2018-2019, we utilized the OXYGEN Library Software, which facilitated seamless cataloging, circulation, and management of our extensive collection of books and resources. This software played a pivotal role in enhancing accessibility and promoting a culture of continuous learning among our students and faculty members.

Accounts Management:

Ensuring transparent and efficient financial operations has always been a priority for Mahatma Night Degree College. In pursuit of this objective, we relied on the Sensys Easy Pay software for accounts management during the fiscal year 2018-2019. This robust platform streamlined various financial processes, including payroll management, and other official work, thereby enabling us to maintain fiscal discipline and accountability.

Examination Management:

Effective examination management is fundamental to the academic integrity and credibility of any educational institution. During the academic year 2020-21, examinations were held online due to the COVID-19 Pandemic. Mahatma Night Degree College utilized the Splashgain Eklavya software to streamline our examination processes. This comprehensive solution facilitated the creation, scheduling, and evaluation of examinations, ensuring fairness, accuracy, and efficiency in our online assessment procedures.
